Combining the modern manufacturing process and delicate details from our local Indonesia craftsmen, has brought the real beauty and comfort to Matala.

A Remarkable Journey

Back in 2015 on the first launching of this MATA LA, it's really an honor for us to get a hand-signed from our President, Mr. Joko Widodo on our MATA LA Swivel Chair.

Mr. Jokowi strongly supports the rattan furniture industry in Indonesia so it can compete and be known in the wider market, especially internationally. And this spirit is also the motivation for VIVERE to continue to produce high quality rattan products together with local designers and craftsmen.
